Dear Mr. Bogdanov:

We would like to take this opportunity to express our sincerest gratitude and appreciation for your generous support of the Department of Medicine's inaugural Dancing with the Docs fundraising event.

Thanks to our kind donors and event attendees, we are delighted to announce that this year's efforts raised \$40,000 towards the Chair in Advanced Stem Cell Therapies.

Your participation was instrumental in surpassing our fundraising goal for this inaugural event.

On behalf of the Department of Medicine, and on behalf of the patients who will benefit from our research, it is our pleasure and honor to thank you for your generous contribution.

The 2016 Dancing with the Docs line up will be announced later this summer. Please watch your email for event details!

Yours sincerely,

**Dr. Anne E McCarthy**
